The logo graphic for 'Taana-Baana' features the words 'ताना' and 'बाणा' in a stylized, teal-colored Devanagari font. The characters are arranged in two rows, with the top row containing 'ता' and 'ना' and the bottom row containing 'बा' and 'णा'. Three thick, dark blue horizontal bars are superimposed over the text, one above the top row, one between the two rows, and one below the bottom row.

WARP & WEFT

Taana-Baana is a new collection of textures developed by Asian Paints. The collection brings the nostalgia of India's ancient handicraft traditions to contemporary homes. The distinctive finishes are representative of different states in the North, South, East and West of India. India's artisans have created the fabrics, weaves and objects that are so evocative of the country with years of practice and passed on through generations.
